WORKING STUDENT NETWORK SERVICES (ALL GENDERS) | BEIERSDORF

At Beiersdorf, we want to help people feel good about their skin – and our commitment goes far beyond caring for skin. For 140 years, we have developed innovative skin and body care products for well-known brands such as NIVEA, Eucerin, La Prairie, Hansaplast, and Labello. We act according to our purpose, WE CARE BEYOND SKIN, and take responsibility for our consumers, our employees, the environment and society.

Behind every brand, every product and every accomplishment are our more than 20,000 employees. It is for them that we live an inclusive culture of respect and trust that is strongly aligned with our values – CARE, COURAGE, SIMPLICITY and TRUST. We also embrace diversity by valuing the uniqueness of each individual and being committed to equal opportunities for all.

The BSS Networks department is seeking a highly motivated and tech-savvy working student to join our dynamic LAN & WLAN team.

YOUR TASKS

In this role, you will gain valuable hands-on experience supporting the critical infrastructure that keeps our global network running smoothly. You will work alongside experienced network engineers on a variety of projects, including:

- Network Automation: Assisting with the development and implementation of scripts to automate manual tasks, improving efficiency and reducing errors.
- Network Monitoring and Analysis: Contributing to the continuous monitoring of our LAN & WLAN network, helping identify and troubleshoot potential issues.
- Project Support: Participating in ongoing network modernization projects, researching new technologies, and assisting with their integration to enhance our network capabilities.
- Hardware and Management Migrations: Providing support during network hardware migrations, ensuring a smooth transition and minimal downtime.
- Gain invaluable real-world experience in a fast-paced and supportive environment.
- Work alongside industry professionals and learn from their expertise.
- Contribute to the success of a critical IT function within the company.
- Opportunity to develop your technical skills and network knowledge.

YOUR PROFILE

- Strong interest in networking technologies
- Possess a solid foundation in technical concepts, with a willingness to learn and grow your knowledge
- Excellent communication and teamwork skills, with the ability to collaborate effectively

ADDITIONAL INFORMATION

At Beiersdorf, we embrace Diversity and aim to provide equal opportunities to all of our applicants – regardless of e.g. gender, sexual identity, nationality, ethnicity, religion or ideology, disability or age. We would therefore kindly ask you to include only information and data in your documents which are relevant for the assessment of your application (e.g. curriculum vitae with relevant references and certificates). For instance, please feel free to upload your CV without a picture. If you have any questions, please contact our recruiter Isabel Warnecke via Students_RC@Beiersdorf.com.
