## FINANCE & CONTROLLING INTERNSHIP

### YOUR TASKS

#### CARE FOR SKIN – CARE FOR PEOPLE

For more than 130 years, care for consumers and our people is what has driven us. Every day, our global brand icons, such as NIVEA, Eucerin, and Hansaplast, make more than 500 million consumers in over 200 countries feel good in their skin. Join this world of care and start your career in an environment that offers you the freedom to drive our international business with your entrepreneurial spirit. Shape your professional future from day one and explore our collaborative culture with smart, courageous teams that all share one exciting goal: developing skin care products of the next generation.

To strengthen our Belgium Finance Team, we are looking for a dynamic Finance & Controlling Intern .

As a Finance Intern, you will support Belgium Finance Team (Commercial Controlling – Nivea and Business Controlling – Eucerin & Hansaplast) in order to (over)achieve sustainable growth of the business. During your internship, you will get a deeper understanding of all financial elements that are part of the daily business at Beiersdorf, and main drivers of Net Sales and Profitable growth. Beiersdorf Belgium is a dynamic organization, where we work together in small cross-functional teams with our core values: Care, Simplicity, Courage, and Trust, in mind. This internship experience can be your introduction to a career with us:

- Creation of Monthly Business Review reports and setting up a common standard to streamline the process across our customers
- Maintain and track our customers' contractual agreements in SAP
- In-depth customer and product sales & margin analysis
- Support integration of Power BI reports into the local organization, coordinating with finance team in NL and FR
- Support with ad-hoc analysis from local / regional / global teams
- Support daily tasks (daily sales, pricing requests, etc.)

Do you want to gain valuable work experience and give your graduate career a kick start?  
Do you find yourself being intrigued by the responsibilities and expectations below? Apply!
