

SAP SALES CONSULTANT

At Beiersdorf, we want to help people feel good about their skin – and our commitment goes far beyond caring for skin. For 140 years, we have developed innovative skin and body care products for well-known brands such as NIVEA, Eucerin, La Prairie, Hansaplast, and Labello. We act according to our purpose, WE CARE BEYOND SKIN, and take responsibility for our consumers, our employees, the environment and society.

Behind every brand, every product and every accomplishment are our more than 20,000 employees. It is for them that we live a culture of inclusion, respect and trust that is strongly aligned with our values CARE, COURAGE, SIMPLICITY and TRUST. We embrace diversity by valuing the uniqueness of each individual and being committed to equal opportunities for all.

You are more than an SAP Consultant and have passion for business processes and would like to further develop your skills and career? We have the right opportunity for you! At Beiersdorf Shared Services HUB in Mexico City, we are one of the IT HUBs for Beiersdorf IT.

Within IT we are a proactive business enabler, co-creating value for our brands, functions and markets by delivering innovative, reliable, and efficient information and data technologies.

We currently look for an experienced senior SAP Finance Consultant to help us support and develop the Finance strategy using the latest modern SAP Finance capabilities.

YOUR TASKS

- Work on international projects and support tasks with focus on sales area including realization, Test- and GoLive-Support
- Conceptualize and design solutions and developments based on SAP systems or software solutions from other providers as well as their implementation
- Participation in the maintenance/support and modification of existing standardized solutions based on SAP systems at Beiersdorf companies worldwide
- Be a support for systems which are Business as usual as well as working in waterfall or agile projects
- Assure technical documentation according to standards and follow our internal quality rules
- End-to-end responsibility for our processes

YOUR PROFILE

- 3+ years of consultant experience or in a relevant field
- SAP Knowledge in Sales Customizing (Order management, pricing, Agreements/Contracts, integration to other modules, IDOC knowledge), ABAP experience (debugging)
- Experience with S4, Fiori, aADP, ABAP development, CDS views, Eclipse or other modules LE/FI/CO is a plus
- Strong communication skills, fluent English
- Flexible in operation times and ability to work in an international team
- Confidence and commitment to succeed
- Willingness to travel

ADDITIONAL INFORMATION

We embrace Diversity and Inclusion and are committed to providing equal opportunities to all of our applicants – regardless of race, gender, age, religion and beliefs, sexual orientation and gender identity, disability, cultural, ethnic or national origins. We would therefore kindly ask you to include only information and data in your documents which are relevant for the assessment of your application (e.g. curriculum vitae, salary expectations, relevant references and certificates)
