Statement (No. 2) of April 15, 2026 at 12:02 p.m.:

Statement submitted as text:

The form of the virtual Annual General Meeting, which was intended to be an exception, is increasingly becoming the norm.

In my opinion, this restricts shareholder rights because, among other things, the exchange of shareholders with each other is prevented.

I therefore clearly advocate the form of the hybrid Annual General Meeting, as this considers the interests of the Company and the shareholders alike.

As long as this is not implemented, I will not discharge the Executive Board nor the Supervisory Board and also vote against remuneration and the remuneration report.

Furthermore, an extensive catering is not necessary for a face-to-face/hybrid meeting.

Coffee/tea/cold drinks are completely sufficient.

Best regards,
